As soon as you arrive in Egypt, get ready for a shopping thrill! Exciting layover tour Cairo Day Tours from the Airport offer great shopping activities and experiences on the layover for one day.

Enjoy the beautiful surroundings of the extravagant City Stars Mall first, where you can find all types of ecumenical shops as well as eat a variety of mouth-watering Egyptian dishes in the food court. Get clothes and gadgets, including the latest grimwear and even high-tech devices.

Even without that, your journey will be carried on to the next level with the most-anticipated Mall of Egypt, which is like no other shopping center you have ever been to. You can go ice skiing or simply enjoy shopping at any of the fashion outlets. If you want to enjoy some excitement you can check out the available motion pictures in the cinema complex and enjoy the snow on the slopes for a little bit of action.

This excursion is the ideal way to enjoy the in-between things without boredom while going on a shopping mission and enjoying one of the world's timelines that have been the longest inhabited and most interesting—Egypt.

Still, aside from modern-day business-like malls, Egypt possesses historical places for shopping as well, for instance, Khan El Khalili, one of the oldest and most visited bazaars in Cairo. Get lost in the conjoined mazes of shops, thick with bazaars, beautiful mosques, eat-outs, and a host of many more places for the tourists—an experience that is worth living.

Egypt has some of the best malls in the region, and especially Majid Al Futtaim, which is widely known across the MENA region for retail and mall development, operates many of the malls in this great country.

Come along and enjoy a great shopping tour in Cairo!
