Cairo Tower day tour from the airport

Cairo Tower tour is a half-day tour that allows you to sightsee Cairo, the capital of Egypt, above from a unique perspective and by felucca (a traditional Egyptian sailboat). The tour starts from [Cairo International Airport](#), where you will be picked up by your private English-speaking guide. It is also known as the "Biggest Eye" because it looks like an eye when seen from a distance. The tower was built in 1960 and designed by architect Abdel Wahab El-Messiri.

The Cairo Tower is one of the magnificent places which you can visit to win an unforgettable view of Cairo and to revive yourself with the freezing air from the top.

The Cairo Tower tour begins with a short felucca ride on the Nile River to Zamalek Island, where you will meet your guide and driver at the base of the tower. From there you will take an elevator up to the observation deck at the top of this famous landmark where you can enjoy panoramic views over Cairo and see many of its famous landmarks such as [Mena House Hotel](#) and Nile Valley Hotel, among others.
