Port Said and Cairo

Our overnight trip to Cairo from Port Said offers an exceptional chance to explore Cairo's most iconic landmarks and experience the city's unique charm. Don't miss the opportunity to visit the magnificent pyramids, which stand among the world's most renowned monuments. These pyramids are not just remarkable feats of engineering but also astronomical wonders, aligned with the Orion constellation—a reflection of the ancient Egyptians' belief that the spirit of the king would ascend to join the god Osiris. Capture stunning photos with the impressive Sphinx.

Your journey continues with a visit to the Citadel of Salah al-Din, once one of the mightiest fortresses in antiquity, built to defend Cairo from invaders. Within the citadel, you will marvel at the Muhammad Ali Mosque, an alabaster masterpiece regarded as one of the most exquisite mosques in the Arab world. Both the Citadel of Salah al-Din and the Muhammad Ali Mosque stand as testaments to the architectural brilliance of their time.
