Desert Safari Adventure to Wadi El Rayan and Wadi Hitan

A knowledgeable guide from Cairo Top Tours will pick you up from your hotel in Cairo or Giza to begin your Egypt Desert Safari adventure.

You'll be transported along the Cairo-El Fayoum desert road to Wadi Rayan in a comfortable, air-conditioned 4x4 vehicle. Wadi El Rayan, featuring two lakes connected by cascading waterfalls, offers a stunning desert oasis about 42 meters below sea level. These lakes, created in the 1970s from excess agricultural drainage, provide a unique sight—waterfalls in the middle of the desert!

Your Desert Safari continues with a journey to Wadi Hitan, a UNESCO World Heritage site famous for its whale skeletons. This 40 km drive through the Wadi El Rayan Natural Reserve leads to the Valley of the Whales, where ancient marine fossils can be explored and photographed. Along the way, you'll stop at Mudawara Mountain, a picturesque spot with breathtaking views over Lake Fayoum.

At Wadi Hitan National Park, an open-air museum awaits, showcasing whale fossils dating back 40 million years. This ancient site reveals the story of whale evolution, with over 400 fossilized skeletons, bones, and plant remnants preserved in the rock formations.

After your 4WD tour, you'll enjoy a delicious lunch and traditional Bedouin tea before being transported back to your hotel in Cairo.

Meals: Lunch and Bedouin Tea.
