Day 2: Giza Pyramids Tour, Saqqara Necropolis, Memphis City

After enjoying your first delicious breakfast at the hotel, our representative will meet you in the hotel lobby to begin your Cairo day tours. Start with an exciting visit to the Giza Pyramids, where you'll be amazed by these colossal structures built during Egypt's Old Kingdom by some of the greatest pharaohs.

Begin with the Great Pyramid of Cheops, influenced by his father King Snefru, who pioneered pyramid construction with his two impressive pyramids in Dahshur. From the high plateau, take in a stunning panoramic view of the three pyramids: Cheops, Chephren—who was Cheops' son and successor, with a slightly smaller pyramid standing at 136 meters—and Mycerinus, who built the smallest of the Giza pyramids.

After an optional camel ride on the Giza Plateau, you'll visit the Great Sphinx, a statue with a lion's body and a human head, believed to have been built for King Chephren as part of his funerary complex. Explore the Valley Temple, where the mummification of the king took place as part of the burial rites.

Next, head to Saqqara to see the Step Pyramid of King Djoser, the first pyramid constructed entirely of stone and a major milestone in pyramid development. You'll also visit the Pyramid of King Teti from the Sixth Dynasty and the tomb of Kagemni, Djoser's son-in-law and vizier of justice.

Continue your tour to the ancient city of Memphis, the first capital of Egypt, where you'll visit the

open-air museum to see the alabaster sphinx and the colossal statue of Ramses II, a prominent pharaoh of the New Kingdom.

Enjoy a delicious lunch at a high-quality restaurant with views of the pyramids and the Sphinx before returning to your hotel.

After breakfast at the hotel, you'll meet your private Egyptologist guide to begin your Cairo tour. Start with a visit to the Egyptian Museum, where you'll see the largest collection of Egyptian antiquities in the world. Following a two-hour tour, you'll be transferred to Coptic Cairo to explore its Christian heritage, including the Hanging Church of the Holy Virgin Mary, which was built atop two towers of the ancient Roman Fortress of Babylon, as well as the Church of St. Sergius and the Synagogue of Ben Ezra.

Enjoy lunch at a high-quality restaurant before heading to the Islamic Cairo district of Khan El Khalili for a fascinating walking tour. Here, you'll experience the vibrant local life up close. After your Cairo City Tour, you'll be transferred back to your hotel for the night.

Day 4: Cairo to Alexandria Day Trip

After a delicious breakfast at the hotel, prepare to meet your expert English-speaking Egyptologist for a day tour to Alexandria, as part of our premium Egypt Luxury Tours. You will be driven to Alexandria in an air-conditioned vehicle, with the journey taking approximately 2.5 hours, including a break en route.

Upon arriving in Alexandria, the city founded by Alexander the Great in 332 B.C., you will start your tour at Pompey's Pillar. Next, visit the Catacombs of Kom El Shoqafa, then drive along the coast to reach the Citadel of Qaitbay, built on the site of the ancient Lighthouse of Alexandria, one of the Seven Wonders of the Ancient World.

You will also visit the Bibliotheca Alexandrina, a modern reconstruction of the ancient library established by Ptolemy I in the 3rd century B.C., which was once a global centre of science and knowledge.

Enjoy a delightful seafood lunch at one of the city's top-quality restaurants overlooking the harbour, before being transferred to your hotel in Alexandria for check-in and overnight stay.

On our journey, we'll stop in the Alamein area to explore key World War II sites, including the Military Museum and the Commonwealth Alamein Cemetery, where you can learn about the significant battles that took place here.

We'll then head to the charming city of Marsa Matrouh for lunch at a lovely restaurant before continuing on to Siwa Oasis. Upon arrival, we'll check into our eco-lodge and then visit one of Egypt's most relaxing natural hot springs, where you can unwind and soothe your muscles after the long drive. Next, you'll visit the Temple of the Oracle in Aghurmi Village, dating back to the 26th Dynasty, and the Temple of Um Ubeyda, dedicated to the worship of the god Amun Ra.

Explore the rich Siwan heritage at the Siwa House Museum, and enjoy lunch at one of the beautiful restaurants in the Oasis. In the afternoon, relax at Cleopatra's Spring, one of Siwa's most renowned hot springs, reputedly used by Queen Cleopatra herself. Enjoy a swim in its sparkling waters before heading to Fitnas Island to take in the stunning sunset.

You'll also visit a remarkable desert lake, where you might be lucky enough to spot flamingos swimming in its cool waters, enjoying the tranquil atmosphere of the desert.

Following this, you'll pass by Dakrour Mountain for some sandboarding—experience the thrill of sliding down the dunes instead of snow. Afterward, you'll unwind in Bir Wahid, a hot spring known for its relaxing and muscle-soothing properties.
