Day1 - Arrive Cairo, Nile Cruise

Upon arrival at Cairo International Airport, you will be met by one of our representatives and transferred to your Cairo hotel in comfort by an air-conditioned car. Upon arrival at the hotel, you will begin the check-in procedure with our assistance and review your tour program in detail.

Evening time shall be spent on a nighttime cruise on the Nile, allowing one to appreciate the sights of Cairo in peacetime but mainly for relaxation after a long day of activities. It will also expose you to the other parts of the city that normally are not crowded with tourists.

You can also try a few bars on board and see some views of colored, turned-on Cairo. Furthermore, you will get the opportunity to visit some of the great mosques and temples this city has. Later on, we'll take you to a nice hotel room for rest and to free yourself for some time!

Day 2 -Giza Pyramids Tour and Egyptian Museum

For our first day in Cairo, we suggest visiting the Giza Pyramids and the Egyptian Museum, which focus on ancient Egypt. The Giza Pyramids are the oldest man-made structures, over 4500 years old, epitomizing ancient Egyptian engineering and architecture at its best. The Giza Pyramids complex includes the Great Sphinx, Valley Temple, and Solar Boat Museum. Sphinx, a completely massive sculpture with the body of a lion and a human head, is the earliest known monumental sculpture, built in Egypt. Of the Valley temples in Giza, that of Khafre is the only one to have survived intact despite being the second temple built at the site. The Solar Boat Museum, which contains the oldest known vessel in the world believed to be used for the burial of King Khufu, serves as an illustration of burial practices in the ancients.

Hence, the next place on our schedule is the popular Egyptian Museum located in the capital city, Cairo, which is well known for containing one of the largest repositories of ancient Egyptian antiquities in the world. With more than 120,000 pieces exhibited, this museum is a real treasury of history and culture. Among the famous displays are the gold mask of King Tutankhamun, the mummified body of Pharaoh Ramses II, and the figure of Pharaoh Akhenaten.

In obtaining the Egypt Tour packages for the Giza Sphinx and Pyramids, there will be a short break for lunch. Eating at a local restaurant serving Egyptian food will prepare us well for the rest of the itinerary.

(No drinks are included for this meal.)

Day 3- Fly to Hurghada - Free Day in Hurghada

In the morning, your guide will arrive at the hotel. With the aid of other travelers, the guide will prepare the passengers in an air-conditioned van for transportation to Cairo Airport for a flight to Hurghada. On reaching Hurghada, upon reaching the hotel, one of the representatives will assist in facilitating your quick check-in, reconfirm your tour details, and arrange for car services if necessary. Subsequently, we would go on to carry out the planned activities in Hurghada.

Are you planning what more activities to indulge in on a free day in Hurghada? Worry not, for we have amazing ideas that will kick-start your plans. Either way, you could enjoy the clean, soft-sanded, beautiful beaches or go around the town for some history lessons. Whatever you decide will certainly ensure that you have the most enjoyable free day in Egypt in Hurghada!

Day 4 -Free day in Hurghada

This complimentary excursion makes it possible for you to bask in the wonderful sights of the Red Sea in Hurghada and enjoy its refreshing water—swimming, snorkeling, and diving are the order of the day in such places. Afterward, you can go shopping at the famous markets in Hurghada, which is, by the way, another great way to enjoy yourself while here in this beautiful tourist hotspot.

As for these people who need the calming yet laid-back aura of Hurghada, there are always quite a few options. Enjoy a quick snack and drink at one of the city's many coffee shops or restaurants, or visit one of the many spas.

Day 5 - Transfer to Cairo , Shopping Tours

After having breakfast in your hotel in Hurghada, you will leave for Hurghada Airport under the supervision of our tour leader, who will meet you at Cairo Airport. The best part about any trip is the shopping that is usually done before heading back home, and this time will be devoted to that as well, including the famous Khan El-Khalili Bazaar, Cairo's chief marketplace that is thronged by visitors as well as locals. The markets are very interesting, as you will have a chance to walk around and buy some beautiful local art before we take you back to the airport in Cairo.
