#### <u>Itinerary</u>

### Day 1: Aswan tour

Our representative will meet you at your hotel or Cairo airport and accompany you on a flight to Aswan, where you will board your Nile cruise to begin your holiday.

Your first stop will be the High Dam, the primary source of electricity for the entire nation and a protective measure against flooding. Next, you'll visit the Philae Temple, which features numerous structures primarily from the Ptolemaic Period (332–30 BC).

We will then proceed to one of Egypt's most significant archaeological discoveries, the unfinished obelisk, commissioned by Queen Hatshepsut. This obelisk is one of the largest in Egypt.

Optional: Visit the Abu Simbel temple in the morning.

Meals: Breakfast, Lunch, Dinner.

#### Day 2: Kom Ombo and Edfu Temple

In the morning, you'll visit the Temple of Kom Ombo, a unique double temple dedicated to Sobek, the crocodile god, and Horus, the falcon-headed god. Afterward, you'll proceed to the Temple of Edfu, one of the largest temples in Egypt, built on the site of older ruins dating back to Ramses III. It is renowned as the best-preserved ancient Egyptian temple in the Nile Valley.

Later, we'll return to our boat for the night.

Meals: Breakfast, Lunch, Dinner.

### Day 3: Luxor East bank tour

After breakfast, you'll begin your tour of the East Bank of Luxor, starting with a visit to Luxor Temple, known as the world's largest outdoor museum. This temple is one of the most renowned and accessible ruins in the Luxor region of Egypt.

Following this, you'll explore the Karnak Temple Complex, which comprises several temples, chapels, and other structures arranged like a village. This layout is why the complex is referred to as Karnak, as it means "fortified village" in Arabic.

Meals: Breakfast, Lunch, Dinner.

### Day 4: Luxor west bank

In the morning, after enjoying your breakfast, you'll visit the Temple of Hatshepsut at Deir el-Bahari, which features three levels, each with a colonnade at the far end. The uppermost level includes an open courtyard just beyond the portico, adorned with mummiform statues of Hatshepsut as Osiris, the god of the dead, leaning against the pillars.

Next, you'll explore the Valley of the Kings, where New Kingdom pharaohs built their tombs in the hills of this arid region west of Luxor, seeking to be closer to their dynastic roots in the south. This area also houses numerous mummies of kings and queens.

You will then see the Colossi of Memnon, two impressive statues that stand 60 feet (18 metres) tall and weigh approximately 720 tons each. Erected to guard the funerary temple of Pharaoh Amenhotep III, this complex is the largest on the west bank.

After your visit to Luxor's west bank, you will disembark from the Nile cruise and return to Cairo by plane.

Optional: Hot air balloon ride in the morning.

Meals: Breakfast.
