Today marks the highlight of your Cairo Tours. Enjoy a delightful breakfast at your hotel in Cairo before continuing with our Egypt Wheelchair Accessible Tours. You'll meet our knowledgeable English-speaking Egyptologist who will guide you through the Giza Pyramids tour. Our first stop will be at the Great Pyramid of King Cheops, the sole survivor of the Seven Wonders of the Ancient World. Constructed over 30 years during the Old Kingdom's 4th dynasty, approximately 4500 years ago, it stands as a testament to ancient engineering prowess. We'll also explore the Pyramids of King Chephren and their grandson Mycerinus. Of course, we'll visit the iconic Sphinx and the Valley Temple of King Chephren, who built the second pyramid and is associated with the Sphinx.

Before encountering the Sphinx, there will be ample time on the high plateau for an optional camel riding experience and to capture some memorable photos with the assistance of your guide.

Next, we'll journey to the renowned necropolis of Saqqara, where many Pharaohs were laid to rest. Your private driver and guide will lead you through the Step Pyramid complex of King Djoser and explore royal pyramids from within. You'll also marvel at the beautifully decorated tombs of nobles at Saqqara, adorned with scenes depicting daily life.

Following this, we'll pause for lunch at an oriental restaurant before visiting the Memphis Museum. Here, you'll encounter the colossal alabaster sphinx and the statue of Ramses II, along with artifacts discovered in the vicinity.

At the conclusion of your excursions in Cairo, your private tour guide will escort you back to your hotel for the night.

Overnight in Cairo.

After enjoying lunch, your guide will lead the Coptic Cairo tour, starting with the ancient Roman fortress of Babylon. Explore the renowned Hanging Church, the Church of St. Sergius and Bachus, and the Ben Ezra Synagogue, believed to be situated where the infant prophet Moses was discovered in the Nile.
