Accompanied by your tour guide, you'll visit the Great Pyramid of Cheops, a remarkable feat of engineering constructed from over 3 million stone blocks. Nearby, you'll see the Pyramid of Chephren, slightly smaller but equally impressive, and the Pyramid of Mycerinus, who ruled during the 4th dynasty. Also included in this visit are the Great Sphinx and the Valley Temple of King Chephren, where the king's body underwent religious mummification.

Next, you'll journey to Saqqara Necropolis to explore the unique Step Pyramid of King Zoser, built with six steps stacked on top of one another. ## Day 3: Fly to Aswan, Aswan Excursions

After breakfast, check out from the hotel, and you will be transported to the airport early this day for a quick internal flight to Aswan. Upon your arrival, you will be transferred to your 5-star Aswan to Luxor Nile cruise. After some time to rest, we will start our Aswan excursions by visiting the Aswan High Dam, where the guide will describe how the creation of the dam and the succeeding making of Lake Nasser demanded the transference of the Nubian inhabitants and some great monuments, like Abu Simbel Temples, which you have the chance to visit tomorrow as an optional excursion. We will take a little boat ride to Agilkia Island to see the Temple of Philae. Established during the Ptolemaic era, the temple is dedicated to the Goddess Isis.

We will resume seeing the Unfinished Obelisk at the granite quarries to see the most majestic obelisk that is thought to be made during the time of Queen Hatshepsut. Back again and overnight aboard the cruise ship in Aswan.

Included Meals: Breakfast, Lunch, Dinner

## Day 4: Kom Ombo and Edfu Temples

Today, you have the opportunity to join our optional excursion to Abu Simbel temples from Aswan, two extraordinary temples located on the border between Egypt and Sudan. These temples, a UNESCO World Heritage site, are renowned as the grandest monuments built by King Ramses II during Egypt's 18th dynasty in the New Kingdom era.

The day begins with a visit to the Kom Ombo Temple, a unique double temple dedicated to the crocodile god Sobek and the falcon god Haroeris. After exploring this temple, we will proceed to Edfu, dedicated to the god Horus and dating back over 2,000 years. Buried under sand for centuries, it was rediscovered by the French expedition in 1798 and remains remarkably well-preserved as a result.

We will then continue our journey by sailing to Luxor, where we will spend the night aboard the luxurious 5-star cruise ship.

Included Meals: Breakfast, Lunch, Dinner

## Day 5: Luxor West Bank Tours

Today, our Luxor day tours commence with a visit to the renowned Valley of the Kings, where you can explore the impressive tombs of Pharaohs from the New Kingdom period, including the tomb of King Tutankhamun. Following this, we will enjoy a fascinating tour of the Temple of Hatshepsut, also known as El Deir El Bahary Temple, the mortuary temple of Egypt's first recorded queen who ruled during the New Kingdom era.

Our day concludes with a visit to the majestic Colossi of Memnon, the remaining statues of the temple of Amenophis III. We will then return to the cruise ship for an overnight stay.

Dedicated to the powerful ram-headed god Amun, this temple complex features a vast array of temples, chapels, statues, and obelisks.

Next, we will visit the Temple of Luxor, connected to the Karnak Temple by a long avenue of sphinxes. This temple is dedicated to the triad of Amun, his wife Mut, and their son Khonsu. Together, these temples and deities played a central role in the grand Opet Festival, celebrated annually during the flood season.
