Start your day with a delightful buffet breakfast at the hotel before meeting your certified tour guide to commence your 4-day Cairo Tour with a visit to the Saqqara Necropolis from Cairo. You'll journey to the ancient burial grounds of Saqqara, renowned for the Step Pyramid complex of King Djoser, the tombs of nobles, and the opportunity to explore the Pyramid of King Teti.

Your guide will simplify Egypt's history and explain the basics of ancient Egyptian religion. Djoser, a prominent ruler of the 3rd dynasty, commissioned his Step Pyramid, designed by Imhotep, a revered architect and philosopher who was revered posthumously. Explore the tomb of Kagemni, son-in-law of King Teti, ruler during the 6th dynasty.

Next, venture to the ancient city of Memphis to discover artifacts dating back to various periods of pharaonic history, including the alabaster sphinx of Memphis and the colossal statue of King Ramses II.

Afterwards, proceed to the Pyramids of Giza for an awe-inspiring tour. Explore the three pyramids built by 4th dynasty kings: Cheops, Chephren, and Mycerinus. Marvel at the grandeur of the Great Pyramid of Khufu, once the tallest structure in the world for over 4,500 years until the construction of Lincoln Cathedral in 1311 A.D.

Take in the panoramic view of the pyramids from the high plateau and opt for an hour-long camel ride amidst this remarkable landscape, capturing unforgettable photos. Continue your exploration with a visit to the Great Sphinx of Chephren, a mythical figure of a man-headed lion. Enter the Valley Temple, part of Chephren's funerary complex, where your Egyptologist guide will explain the phases of mummification.

Enjoy a delicious lunch at a high-quality restaurant overlooking the pyramids and Sphinx.

After concluding your Cairo tours, return to your hotel for an overnight stay.

Continue your tour with visits to historic churches, starting with the Hanging Church of the Holy Virgin Mary, suspended above two towers of the ancient Roman fortress of Babylon, dating back to the 1st century AD. Explore the Church of St. Sergius, where you can see the crypt believed to have sheltered the Holy Family during their journey in Egypt. Then, visit Ben Ezra Synagogue, the oldest synagogue in Old Cairo, originally a Christian church.
