Egypt Meditation Tour in Dahshur Pyramids

Here, you can embrace the tranquility and connect with your inner peace during the Egypt Meditation Tour at the Dahshur Pyramids, all while gazing at two of Egypt's most magnificent pyramids—the Red Pyramid and the Bent Pyramid. These remarkable structures were built by King Snefru, founder of the 4th dynasty and father of King Cheops, who constructed the Great Pyramid at Giza. Snefru was also the grandfather of Chephren and Mycerinus, the builders of the two smaller Giza pyramids.

Escape the crowds as you journey to the archaeological site and necropolis of Dahshur, a key location in the history of Egypt's Old Kingdom. Accompanied by a specialist tour guide in a private vehicle, you'll marvel at

the beauty of ancient Egyptian architecture and discover how Egyptian mythology shaped the beliefs of kings and rulers, who built eternal homes for their journey to immortality after death.

After completing our meditation tour at the Dahshur necropolis, we will return to your hotel or any preferred drop-off location.
