Itinerary

Day Tour to Meidum, Giza Pyramids and Saqqara

Your Egyptologist guide from Cairo Top Tours will meet you at your hotel or any preferred location in Cairo or Giza to begin an exclusive Cairo Day Tour. This tour will take you on an extraordinary journey to the Giza Pyramids, Saqqara Necropolis, and the Meidum Pyramid.

Your adventure starts with a visit to Meidum, where you'll explore the unique Red Pyramid of King Snefru, the father of King Cheops, who built the famous Great Pyramid at Giza. Snefru, who ruled during the early fourth dynasty of the Old Kingdom, made his first attempt at pyramid construction here.

Afterward, you'll enjoy a delicious lunch before continuing your tour with a visit to Saqqara Necropolis, the oldest and richest archaeological site in Egypt. Here, you'll marvel at the Step Pyramid of King Djoser, the first tomb ever constructed entirely of stone. Designed by the brilliant architect Imhotep, who was later deified by the ancient Egyptians, this pyramid is a highlight of the tour.

The tour continues at the Giza Plateau, where you'll stand at the foot of the Great Pyramid of King Cheops, which held the title of the world's tallest building for millennia. You'll also see the iconic pyramids of Cheops, Chephren, and Mycerinus, along with the enigmatic Great Sphinx and the Valley Temple of King Mycerinus.
