## Giza Pyramids and Dahshur Pyramids Trip

Book our Cairo Day Trip to Giza and Dahshur Pyramids for an unforgettable journey. It's one of our top tours and activities in Cairo. Meet your private Egyptologist guide in the hotel lobby or any other requested pickup location to be transferred by air-conditioned exclusive vehicle to the Giza Necropolis, where you will finally witness the last of the seven ancient wonders of the world, the Great Pyramid of King Cheops, the son of the builder of the first stone pyramid in history, Djoser.

The Chephren pyramid, erected half a century after the central tomb, is located less than 200 meters away. The summit of this massive pyramid demonstrates that the three pyramids at Giza formerly had a smooth exterior shell, which historians claimed was composed of pure gold.

Continue your Egypt Tours by seeing another necropolis not far from the Giza Necropolis, Dahshur, where additional pyramids remain in pride to remind us that ancient Egyptian history was full of great Kings and Rulers. It is located in the desert 26 kilometers south of Cairo, on the Nile's west bank, and has an area of 1.5 km<sup>3</sup>. Pyramids from the 4th, 12th, and 13th dynasties were discovered on the rocky plateau of Dahshur. The Bent Pyramid and Red Pyramid of King Senefru are in better condition than the other pyramids in the vicinity.

Enjoy your sumptuous lunch at the end of your Egypt Day Tours before being driven back to your hotel by a Cairo Top Tours car.
