## Itinerary

### Day 1: Aswan

Begin your journey with our professional Egypt Tours tour leader, who will meet you at your hotel and assist you in catching a flight to Aswan. Once you land, the enjoyable moments of your Egypt Day Tour commence as you meet your tour guide, and head directly to the first stop which is:

Abu Simbel Temples Let's explore the beauty of the planet. Abu Simbel temple is one of the most picturesque forts, which is a great pride of Nubian culture. It is an ancient Egyptian temple that has been designated a UNESCO World Heritage site and even in the world, it is famous for its splendid architecture. There is no way you will want to miss to dive into its amazing history and see how impressive it is by yourself.

After sightseeing in Abu Simbel, lunch will be served at a local oriental restaurant. Then, enjoy a private air-conditioned car ride to Aswan once you finish your lunch.

Imagine that after so much travelling you get to Aswan where you check into a plush 5-star resort. You can take it easy and even spend the night in a comfortable bed, getting ready to the fun on the second day of your trip.

## **Day 2: Luxor attractions.**

When the sun comes up on the second day of your tour, the first thing that you will do is have your breakfast at the hotel and prepare to depart Aswan for Luxor on the first class train. And as soon as you get to Luxor, an AC car will be provided to enable you tour the temples and the tombs comfortably.

And the first spot in your Luxor attractions trip is the valley of kings.

In ancient times some tombs of kings were vandalized that was why they opted to inter the kings in a concealed tomb under the ground so that they would be safe.

The Hatshepsut temple.

An epitomized architectural endeavor of queen Hatshepsut who bore the title of the pharaoh 'royal wife' was the first to hold the name in history, this detailing will be inscribed within a hierarchical script on the inner walls of the temple depicting a story.

Then they will take you to the colossi of Memnon.

These are two massive statues with three faces of king Amenhotep III, his wife Tyie, and Mother Mutemwiya which Dummy statues are built many times.

Then after this, there is the need to replenish your energy once again by enjoying a delightful lunch in an east oriented restaurant overlooking the Nile.

And next it is time to pay a visit to the temple of Karnak.

This patera was erected in the temple system during the rule of the Ptolemaic dynasty. Due to its immensity, it was at the core of Thebes.

You will then finish this journey by seeing that you are transferred to Luxor airport for your flight to Cairo.
