Giza Pyramids Sound and Light Show from airport tour

Learn the fantastic history of the country of Egypt, the history of which is considered one of the oldest in the world. Enjoy your time on Egypt trips that allow you to explore the famous land of the Pharaohs. That's why to make this experience even more unique you can pre-arrange the Sound and Light Show at Giza Pyramids as soon as you arrive at Cairo Airport if you have a layover here. Prepare yourself for sight with the lasers on and an audience addressed by the voice of the Great Sphinx. This show unbuckles the mysteries of the spiritual Giza Pyramids Plateau and how the construction of the Pyramids was done. Khufu, the Second Pharaoh of Egypt's Fourth Dynasty, lies buried in this pyramid which is the oldest and, in terms of the original dimensions, the largest out of all three Pyramids of Giza.

Major activities you will be doing include visiting Khan al-Khalili This is one of the areas in Cairo that tourists ought to visit while in Cairo and Egypt in general. It is characterized by the active presence of such districts as the popular bazaars, shops, and restaurants, a great number of tourists, and the acclimatization of its inhabitants to them.

Giza Pyramids Sound and Light Show from Airport

Your Cairo Top Tours tour leader will greet you at the airport to start the Giza Pyramids Sound and Light Show tour with Cairo Top Tours. He will pick you up by a comfortable air-conditioned car to take you to the Pyramids of Giza where the only original one of the seven Wonders of the ancient world still stands, and it is known as the great pyramid constructed during the old kingdom of Pharaoh Cheops. The show begins when the Great Sphinx of Giza starts telling the history of ancient Egypt as a story while at the same time the lights of lasers will remain lighting. Actually, you will witness an entertaining and splendid historical spectacle with the tones of emotional music to describe the impact of the Giza area, historical narrative of the Seven, depth of Egypt's history, and a/vcentury reminiscence on pyramid constructors. Sound and Light show in Giza pyramids lasts about 1 hour and the commentator uses a lot of story telling and has the voice of the famous Egyptian Icon Actor Omar Sherif and all this while you are facing the Great Sphinx.

They will then be transfer back to Cairo International airport after you are through with the tours in Cairo after the show has ended.
