### **Day tour in Sharm El Sheikh**

You will be picked up from your hotel by an AC vehicle at the start of the day to begin your drive to the first location.

Enjoy an exceptional vacation full of fun activities in Sharm El-Sheikh. One of our most interesting and exciting activities in Sharm El-Sheikh is parasailing, which involves attaching a parachute to a speedboat and listening to the beaches of Sharm El-Sheikh, as well as the clear skies and coral reefs while flying through the air. One, two, or three persons can ride the parachute at the same time (with a total weight limit of 160 kg per round).

The Banana game can accommodate five people and includes the necessary safety equipment and a life jacket for each person. The Tube game can accommodate three people and includes the necessary safety equipment and a life jacket for each person. The Banana game or the Tube is designed to be pulled by a speedboat, which adds excitement as the speedboat increases in speed and rotates from time to time. Then you'll be transported to a good-quality restaurant for an Egyptian-style lunch.

Then go to the desert for an unlimited experience with a quad bike safari at sunset, followed by a night entertainment featuring belly dancing and BBQ.

Then you'll be brought back to your drop-off spot, where our end of service will be.
