[Itinerary](#)

Egyptian museum and Quad bike Trip from Alexandria port

Your driver and tour leader will meet you upon your arrival at the [port of Alexandria](#), after which he'll take you to the [Egyptian Museum](#), where you can view several ancient Egyptian artifacts, including some

magnificent jewelry and portraits of queens. Then, you will continue to see King Akhenaten's burial room with several mummified animals.

We'll make a stop at the [Giza Pyramids](#) and the [Sphinx](#) from the famous panoramic area before we hit the pyramids. You can take amazing photos and then ride your quad bike through the Sahara Desert. It's incredible, and you will see some outstanding surroundings.

After investigating the ancient sites, it'll be time to enjoy a traditional Egyptian lunch at a local restaurant. At the end of the trip, you'll be taken back to the port of Alexandria.
