

Have a wonderful Full-Day Tour Pyramids, Papyrus Institute From Port Said Port

Price Starting From : \$105

Day Tour
Egypt
Giza

Cairo day tours allow great exploration of rich history and vibrancy of culture in one of the oldest cities in the world. Visitors, starting drives from Port Said Port, will tour around the great Pyramids of Giza, which were built as tombs for pharaohs, explaining their construction techniques and purpose. The trip offers a unique look into the beautiful ancient wonders of Egypt by first allowing visitors to explore the site, walk around the Great Pyramid of Khufu, and venture inside if the conditions of the day permit.

Following the Pyramids, the tour will take you to the Papyrus Institute to see the traditional steps of making papyrus, an art that has been protected for thousands of years. The artisans show the visitors how the papyrus plant is planted, processed, and transformed into paper using techniques passed down from ancient Egyptian times. As such, this is a learning experience that is also an appreciation of the artistry involved in creating this unique material. Many visitors especially enjoy the opportunity to buy authentic papyrus artworks, which makes for a very special memento of their journey.

The whole day might be filled with the glimpse of ancient history combined with modern culture in Cairo's bustling atmosphere with local sellers and traditional Egyptian food giving an immense, unparalleled touch. Your guide will give ample opportunity to ask for more about the places visited and making the understanding complete for all the locations covered.

Returning back to Port Said Harbour, by then, the visitor might sit, reflect upon the many experiences of the day-learning about the ancient art of papyrus-making and connecting to Egypt's rich heritage.
