Cruising of Nile has been always considered as a unique experience in Egypt, and during our 4 days in the luxurious Steigenberger Minerva Nile cruise ship, dubbed by locals as the Steigenberger MS Minerva Nile 2024, you can also enjoy the spectacular Nile Experience. Visit all principal historical sites and attractions, including the Valley of the Kings that was used by New Kingdom pharaohs for burial.

From about 1500 B. C., however, Egyptian kings did not build many pyramids in which to be interred. Or more formally they were entombed in tombs in the Valley of the Kings and the new kingdom. Ramses II and Golden Pharaoh King Tutankhamun explore the rock-hewn temple of Abu Simbel, the Double Temple of Kom Ombo<|reserved_special_token_281|>, and take a hot Air Balloon Ride Luxor, the world's biggest Open Museum.

Do you fancy doing something new on your next holiday? As for Aswan Day tours? Aswan is an eye-catching city that stretches on the Nile River. Aswan is the capital of the Aswan Governorate and has more than 200 thousand of inhabitants.
